## VENETO'S BIGGEST SKI RESORT !

The excellent family ski region of the Civetta Ski Resort.

**Amazing,  
for the 26th time to Alleghe !  
That's saying something, of course !!**

**Those who like skiing, snowboarding, walking in the snow, delicious food and tasty wines can get their fill in the Italian Dolomites.**

*Skiing in this extensive and absolutely beautiful area is a unique experience.*

*The wooded environment in itself is beautiful, but the stunning view of the sharply pointed Dolomites makes the experience even more special.*

It's not for nothing that the mountain range is on **the UNESCO World Heritage List.**

**With CLUB EPO-SKI you will make wonderful ski tours in 2023 through these magnificent mountains.** How about a lovely descent from the top of Mount Lagazuoi from where a 360 degrees' view of the Dolomites can be enjoyed in all its glory. From here there is a descent of just over 7 kilometers, situated in the heart of the Dolomites. Along the way you'll come across **Rifugio SCOTONI Hütte** ( Alpe Lagazuoi ) which you definitely shouldn't just ski past.

**We strongly recommend you enjoy a lovely lunch here!!**

After lunch continue on your way and end up at the horses. They're waiting there to take you on an authentic "horses ski-lift".

**A once (?) in a lifetime experience.**

**And finish the day with a super delicious Bombardino!**
